**Subject:** Selection of photos

Diane,

The REOC is attempting to select photos from the Region 6 Gold King Mine Spill epaosc.net site, appropriate for public viewing through the HQ flex viewer. We are requesting your assistance in selecting photos. Ideally we could prefer to have one of your staff review the photo log in the website [www.epaosc.org/Gold\\_King\\_Region6](http://www.epaosc.org/Gold_King_Region6), identify appropriate photos and make them public. This will eliminate the need for multiple handling and potential misidentification of photos for public viewing. We will provide your staff person modified access to the site in order to make this happen. Please advise on your designee for this task.

Thank you.

Althea
